We all need a knight in shining armourBy MwakaAs usual Shyla does not disappoint in this boxset, as she takes you through the turmoil that is Chantersquo;s life. A little black girl in the foster system who nobody wanted until a couple of missionary medics take her into their home. They later have a son who has ALS, Unfortunately the Dad dies of malaria and Mother is hit by a car at an intersection. Fortunately for Chante the ALS support group helps her and while working at the NY General hospital she meets Jared most eligible bachelor in the city and the one night of passion leaves an impression on both of them. Chante tries to fight by starting a relationship with a Doctor Leo Carman in the ER who proposes but another encounter with Jared makes her realise that she is in love with him. He also saves the day by beating the deadbeat ex-boyfriend that is blackmailing her with a naughty film that he took after drugging her.I love twists in novels and would have loved to see the blackmailing explored further what happens when the blackmailer shots Jared? Does it come out that Jared beat him to an inch of his life and why did he beat him or as the rich always do it was brushed under the carpet.I received an advance copy of this book in exchange for an honest review.1 of 1 people found the following review helpful.
